Hi, I am reviewing a FOIA response on the Dewey Burdock ISR site in SD, and I have a handful of documents that are NRC generated, and we would like to send them to NRC to review and categorize and redact. I have 14 .pdfs. Should I just email them to you, or should I send them another way? Thanks! Lucita

Hi Lucita,

I have been told that EPA should forward any documents for review to Mary Rodgers or Catherine Davis. They are the FOIA coordinators for NMSS.

Let me know if you need anything else. P.S. I will be back in DC next week.

Patty

Hi Patty – I hope you are doing well. I am reviewing a Dewey Burdock FOIA, and I have 14 documents that are NRC generated emails that I need to send back to NRC to review and redact if necessary. What would be the best way for me to do this? Should I just send them in a couple of emails to you? Thanks, Lucita
